

REMARKS/ARGUMENTS

The Examiner is thanked for his review of the application.

Claims 1-9, 27-35 and 53-61 remain in the application. No new claims have been added and no claims have been amended.

The Examiner has rejected Claims 1-9, 27-35 and 53-61 under 35 U.S.C. 102(a) as being unpatentable over Boswell et al, Publication Number 2003/0126053 which was published on July 3, 2003.

Applicants respectfully points out the present non-provisional application, filed July 7, 2003, claims priority under 35 U.S.C. 119 from a provisional application S/N 60/395,703 which was filed July 12, 2002. Accordingly, the claimed invention, which is fully support by the above-mentioned provisional application, is patentable over Boswell under 102(a).

There are no fees due with this Response; however if there is any additional fee that may be due in connection with the filing of this Response to Office Action, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-2766 (Order No. 10953-008-999). Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at telephone number 925-570-8198.

Respectfully submitted,

/Kang S. Lim/
